

# Personal Still Life Rubric

Project Requirements	Below Expectations	Meets Expectations	Exceeds Expectations	Student Score
Composition & Design	<p><b>0-9 points</b></p> <p>Student did not demonstrate a purposeful use of their space. Less than 3 objects were used in their composition and it is clear that the layout is not thought out. Little to no effort was put into creating an interesting and engaging composition.</p>	<p><b>10-17 points</b></p> <p>Student demonstrates a purposeful use of their space. At least 3 personal objects were included in their composition and most of the layout is thought out. Student made an effort to create an interesting and engaging composition.</p>	<p><b>18-20 points</b></p> <p>Student demonstrates a purposeful and intentional use of their space. 4 or more personal objects were included in their composition and the layout is well thought out. Student made obvious decisions to ensure their composition was interesting and engaging.</p>	___/20
Proportion and Rendering of Form (value)	<p><b>0-14 points</b></p> <p>Little to no sense of value, space and depth is demonstrated. Most shapes are not accurately rendered and very few objects are in proportion in relation to one another. A very small range of values (less than 5) are rendered.</p>	<p><b>15-21 points</b></p> <p>Artwork demonstrates a basic sense of space and depth while utilizing value. Basic shapes are accurately rendered. Most objects are in proportion in relation to one another. A range of values (at least 5) are demonstrated.</p>	<p><b>22-25 points</b></p> <p>Artwork demonstrates an advanced sense of space and depth through the use of value. Complex and basic shapes are accurately rendered. All objects are in proportion in relation to one another. A broad range of values (6 or more) is demonstrated.</p>	___/25
Texture	<p><b>0-14 points</b></p> <p>The final artwork shows very few textures and very little understanding of how to simulate texture. There is little to no contrast throughout.</p>	<p><b>15-21 points</b></p> <p>The final artwork depicts at least 3 different textures. There is a difference between contrasting textures.</p>	<p><b>22-25 points</b></p> <p>The final artwork depicts at least 4 different textures clearly and accurately. There is a strong difference between contrasting textures.</p>	___/25
Craftsmanship	<p><b>0-5 points</b></p> <p>Student paid little attention to the finish and presentation of the project. There are more than 4 unintentional paint marks and pencil is still visible throughout. Background shows through and paint marks appear messy. Many rips, tears and/or smudges are evident on the finished piece.</p>	<p><b>6-12 points</b></p> <p>Student demonstrated a high level of attention to the finish and presentation of the project, but there are some areas where student left unintentional or messy paint marks. Some pencil marks are visible and a few rips, tears or smudges evident on the finished piece.</p>	<p><b>13-15 points</b></p> <p>Student demonstrated a high level of attention to the finish and presentation of the project. All marks and brushstrokes are intentional and aid in the finished piece. No pencil marks can be seen and there are no rips, tears or smudges on the finished piece.</p>	___/15
Effort	<p><b>0-5 points</b></p> <p>Student gave minimal effort in all aspects of the project. were often unprepared and did not utilize time or resources to the best of their responsibility</p>	<p><b>6-12 points</b></p> <p>Student gave good effort in most aspects of the project. They were prepared most of the time and made good use of time, but not consistently.</p>	<p><b>13-10 points</b></p> <p>Student gave best effort in all aspects of the project. were prepared, and worked diligently making the best possible use of time and resources.</p>	___/15
